PERFORMANCE FOR THE ROAD AHEAD

Since the dawn of the motor vehicle, Lucas has lit our journeys around the planet. Today we deliver our most advanced upgrade bulb line up for that 'extra' boost!

Whether you're looking for more light on the road ahead, or you want that premium whiter look, Lucas has you covered.

Blast off with up to 200%* more light or a stellar 5000/6000K white output† for out of this world style and performance. LightBooster and WhiteBooster upgrades are e-marked and 100% road legal.

For the adventurous looking to go off-road; Lucas LEDBooster and RallyBooster provide our most extreme performance.
