# CHAMPION THE AFTERMARKET

## VXPRO exists to empower the independent aftermarket.

We deliver products engineered to perform just like the original, at a price point that helps you sharpen your competitive edge against franchised dealers — **win customers, protect margin, and drive growth.**

Backed by expert support and market-leading warranties, VXPRO champions independence, quality, and the future of the aftermarket.

In today's aftermarket, independent businesses face growing pressure — from customers expecting the highest quality components at the lowest possible price to franchised dealers benefiting from pricing advantages and manufacturer backing. **At ELTA, we believe it shouldn't be this hard to compete.**

We don't just deliver parts — we deliver confidence, service, and a strategy that supports the long-term strength of your business. We're not an original equipment brand. **We're something better for the aftermarket — made for it, by it.**

Together, we can champion the aftermarket and create a fairer, stronger future for independents across the industry.

**Be the competition.**
