

VISION **PRO**

STROBE LIGHTS

HIGH-INTENSITY WARNING, MAXIMUM SAFETY

Maximum visibility when it matters most. VisionPRO Strobe Lights are **designed for emergency, recovery, utility, construction, and agricultural vehicles.** Powerful LED technology and multiple flash patterns help **keep vehicles visible and operators safe in hazardous environments.**

Available in surface-mount, grille-mount, and magnetic options, VisionPRO Strobe Lights are built to withstand vibration, harsh weather, and demanding daily use. **All units are ECE R65 compliant for dependable, road-ready performance.**

For motor factors and workshops, VisionPRO Strobe Lights **offer a high-demand safety solution backed by trusted quality,** broad range coverage, and StockASSIST support, delivering safety, compliance, and value in one package.

20W BLUE STROBE

STOCK ASSIST

Strobes are high-demand across fleets, utilities, and recovery services. StockASSIST helps stockists identify the **most in-demand references based on UK vehicle parc data** and real-world service trends.

Here is the full Strobe Lights range from VisionPRO:
