

Sub Product Group	Parts in Range	No. of Applications
ENGINE SENSE & CONTROL		
Accelerator Sensor	5+	350+
Air Temp. Sensors	60+	8500+
Boost Pressure Sensors	35+	1800+
Camshaft Position Sensors	270+	1350+
Camshaft Adj. Control Valves	65+	2800+
Coolant Level Sensors	15+	2000+
Crank Angle Sensors	500+	1350+
Engine Speed Sensors	45+	2170+
Fuel Temperature Sensors	5+	990+
Idle Air Control Valves	75+	1000+
Knock Sensors	140+	3000+
MAP Sensors	240+	13,750+
Mass Airflow Sensors	380+	12,000+
Oil Level Sensors	120+	7760+
Oil Pressure Switches	130+	10,850+
Power Steering Oil Press. Switches	5+	600+
Radiator Fan Temp. Switches	170+	4000+
Speed Sensors	40+	2400+
Temperature Transmitters	265+	13,000+
Throttle Bodies	170+	4875+
Throttle Potentiometers	45+	1350+
Wash Water Level Sensors	5+	2400+
IGNITION		
Condensers	15+	170+
Contact Sets	35+	700+
Distributor Caps	80+	1400+
Ignition Coils	550+	18,000+
Ignition (HT) Leads	695+	4000+
Rotor Arms	60+	1500+
FUELLING		
Diesel Fuelling Components	15+	1300+
Fuel Pumps & Assemblies	920+	9535+
EXHAUST		
EGR Valves	365+	10,500+
EGR Coolers	50+	3095+
Exhaust Gas Temp. Sensors	550+	10,000+
Exhaust Gas Pressure Sensors	100+	6710+
Particle Filter Regen. Injectors	15+	220+
Lambda Sensors	280+	7280+
Urea Dosing Modules (AdBlue® Inj.)	15+	900+
Fuel Vaporisers	16+	215+
Vacuum Control Valves (EGR)	55+	1200+

Sub Product Group	Parts in Range	No. of Applications
HEATING & COOLING		
Heater Resistors	200+	12,405+
Heater Blowers	95+	8820+
Thermostats	185+	14,000+
BRAKING		
ABS Sensors	1585+	18,910+
Brake Wear Sensors	310+	12,000+
Brake Splash Shields	220+	7145+
Brake Fitting Kits	800+	26,450+
Caliper Slide Kits	210+	49,600+
ELECTRICAL		
Brake Light Switches	150+	16,000+
Clutch Switches	35+	6100+
Parking Distance Sensors	30+	2200+
Reverse Light Switches	120+	7900+
Signal Horns	10+	Universal
WINDOW LIFT REGULATORS		
Mechanisms & Motors	2050+	57,000+
WASHER PUMPS		
Washer Pumps	105+	16,000+
Washer Tank Level Switches	5+	4635+
WIPER MOTORS & LINKAGES		
Wiper Motors	55+	2700+
Wiper Linkages	20+	500+

PREMIER DATA

ALL THE DATA. WHEN YOU NEED IT.

We hold Premier Data Supplier status from TecDoc, proof of our commitment to delivering fast, consistent, and accurate product information. Quality data means fewer returns, smoother catalogues, and better buying decisions for you and your customers.

CHAMPION THE AFTERMARKET

VXPRO exists to empower the independent aftermarket.

We deliver products engineered to perform just like the original, without the franchise dealer price hanging over them. That helps you sharpen your competitive edge, keep your customers, and still make it pay:

Win customers, protect margin, and drive growth.

There's a reason VXPRO has quickly become one of the leading choices across the UK aftermarket. The coverage is there. The quality's consistent. And when you need support, it's there too, backed by warranties that give you confidence. It's built to help you stay independent, and ready for what's next in the aftermarket.

VXPRO

Be the competition.
