ELTA | PROFILE

FORD RANGER 2011-

The **Ford Ranger TKE** is a versatile mid-size pick-up truck introduced in **2011**, built on Ford's global T6 platform. Offered with a range of diesel engines, manual and automatic transmissions, and four-wheel drive options, it combines strong towing and payload capabilities with rugged off-road performance and everyday comfort. The **Ranger TKE** is a popular choice among tradespeople, businesses and private motorists.
